## 7 ESSENTIAL THINGS ABOUT YOUR VOCATION

### VOCATION IS BY INVITATION

The word vocation comes from the Latin *vocare* which means to call. God calls or invites you to a particular vocation: single life, marriage, priesthood or consecrated life.

### GOD CALLS YOU PERSONALLY

God is interested in you personally and he calls you personally...Pope Francis has commented on this personal aspect of vocation: "In calling us God says to us: "You are important to me, I love you, I count on you."

### YOUR VOCATION IS AN EXPRESSION OF WHO YOU ARE

"Be who you are meant to be and you will set the whole world on fire": this is a common paraphrase of the words of St Catherine of Siena. It's tempting to think of your vocation as something you do.

### GOD KNOWS US BEST

"Which of us knows what will make us happy?" asks Fr Jacques Philippe in *The Way of Trust and Love*. We have all had that experience of getting exactly what we thought we wanted, only to find ourselves still unsatisfied. But God knows us better than we know ourselves;

### A VOCATION IS DIFFERENT FROM A CAREER

When we speak of Christian vocations, we don't mean a job or a career. Your vocation is the way God invites you to love and give yourself to others.

## DEACON'S CORNER

Websters definition of resolution is “A firm decision to do or not to do something.” Here we are in the second week of the New Year 2023 and hopefully you have made some resolutions for yourself. There is a lot going on in the world and plenty

is changing all the time. Some of those things will prove to be important in five or 10 years, others a waste of time. Choose one thing and decide to care about it, no matter how overwhelming or even hopeless it might feel at the start. At the very least, you’ll learn something new. Depending on how jaded you’ve become, ringing in the new year represents either a real and hopeful opportunity for a “new you” or just another night to get drunk and proceed as usual. So how do we keep our New Year’s resolutions? Make a cue-based plan. Be sure to detail when and where you’ll follow through. If your New Year’s resolution is to pray five days each week, a plan like “I’ll pray on weekdays” would be too vague. But a cue-based plan like “I’ll pray at the office on weekdays during my lunch break” would fit the bill. The resolution to forgive someone is very tough but very powerful. There are reasons we get angry and disappointed, but there are also reasons to forgive. Maybe it was a bad breakup or a friendship gone awry. If the lessons have been learned and the changes have been made, forgiving people might feel good for everyone involved. While we’re at it, think of the reasons you’re angry at and disappointed with yourself—and forgive yourself for those things, too.

Sandy and I made a resolution last year to enhance our Faith life. So, we set aside 20 -30 minutes in our very busy schedule each day to participate in the “The Bible in a year” series with Father Mike Schmitz. We just finished 365 days of enhancing our Faith life. This was the first time that I stuck to a resolution that I made at the beginning of a year. At first, I thought that this was going to be tough but as the year went on, I looked forward to each day knowing that I was going to spend some quiet time with God.

So, this year how about setting some time away to reflect on your Faith with God. Set aside 20-30 minutes quiet time to reflect on how much God is part of your life.

*Enjoy your relationship with God. Deacon Al*

## RINCÓN DEL DIÁCONO

La definición de resolución de Webster es "Una decisión firme de hacer o no hacer algo". Aquí estamos en la segunda semana del Año Nuevo 2023 y esperamos que hayas tomado algunas resoluciones para ti. Están sucediendo muchas cosas en el mundo y muchas están cambiando todo el tiempo. Algunas de esas cosas demostrarán ser importantes en cinco o diez años, otras serán una pérdida de tiempo. Elija una cosa y decida preocuparse por ella, sin importar cuán abrumador o incluso desesperanzado pueda sentirse al principio. Como mínimo, aprenderás algo nuevo. Dependiendo de lo hastiado que estés, recibir el año nuevo representa una oportunidad real y esperanzadora para un "nuevo yo" o simplemente otra noche para emborracharte y proceder como de costumbre. Entonces, ¿cómo mantenemos nuestras resoluciones de Año Nuevo? Haga un plan basado en señales. Asegúrese de detallar cuándo y dónde hará el seguimiento. Si su resolución de Año Nuevo es orar cinco días a la semana, un plan como “Oraré entre semana” sería demasiado vago. Pero un plan basado en señales como "Rezará en la oficina los días de semana durante mi hora de almuerzo" encajaría perfectamente. La resolución de perdonar a alguien es muy dura pero muy poderosa. Hay razones por las que nos enojamos y nos decepcionamos, pero también hay razones para perdonar. Tal vez fue una mala ruptura o una amistad que salió mal. Si se han aprendido las lecciones y se han realizado los cambios, perdonar a las personas puede sentirse bien para todos los involucrados. Mientras estamos en eso, piensa en las razones por las que estás enojado y decepcionado contigo mismo, y perdónate por esas cosas también.

Sandy y yo hicimos una resolución el año pasado para mejorar nuestra vida de fe. Por lo tanto, reservamos de 20 a 30 minutos de nuestra apretada agenda todos los días para participar en la serie “La Biblia en un año” con el padre Mike Schmitz. Acabamos de terminar 365 días de mejorar nuestra vida de fe. Esta fue la primera vez que me aferré a una resolución que hice a principios de un año. Al principio, pensé que esto iba a ser difícil, pero a medida que avanzaba el año, esperaba cada día sabiendo que iba a pasar un tiempo tranquilo con Dios.

Entonces, este año, ¿qué tal reservar un tiempo para reflexionar sobre su fe con Dios? Reserve 20-30 minutos de tiempo en silencio para reflexionar sobre cuánto Dios es parte de su vida.

*Disfruta tu relación con Dios. Diácono Al*
