DEACON'S CORNER

In Jesus' day people thought that we can see because light emanates from within our eyes. While not medically correct, it is true that unless light enters our eyes we cannot see. We cannot see in total darkness. We need an external light in order to see. Without that light we are blind.

In today's Gospel Jesus cures a man born blind. The Jewish religious authorities thought this blindness was due to sin. Jesus dispels that notion saying the man's blindness is not due to sin but rather so that the works of God could be manifested. Saying ***I am the light of the world*** Jesus restores the man's physical sight but gives him spiritual sight. The man receives eyes of faith, the spiritual light of faith in Christ that enables him to believe in Christ.

We know that physical blindness exists. But there is also spiritual blindness. In John's Gospel (Jn. 8:12) Jesus says ***I am the light of the world. Whoever follows me will not walk in darkness.*** In our second reading St. Paul says to the Ephesians, ***You were once in darkness but now you are light in the Lord...live as children of the light....take no part in the fruitless works of darkness...Christ will give you light.*** In other words do not remain spiritually blind!

When a person is baptized they receive a lighted candle signifying that they have been given the light of Christ, that they have been enlightened by Christ and that they may walk always as a child of the light.

Jesus says: (Matt 5:16) ***Your light must shine before others that they may see your good deeds and glorify your heavenly Father.*** Is the light of Christ's within us? Do we live as children of the light? Does our light shine forth so that others can see Christ in us? Or do we hide our light so that it cannot illumine others? Has our light grown dim? Have we developed spiritual cataracts?

Christ the light of the world shares his light with us. May our light shine before others and glorify God.

Peace to you. **Deacon John**

RINCÓN DEL DIÁCONO

En los días de Jesús, la gente pensaba que podemos ver porque la luz emana de nuestros ojos. Si bien no es médicamente correcto, es cierto que, a menos que la luz entre en nuestros ojos, no podemos ver. No podemos ver en la oscuridad total. Necesitamos una luz externa para poder ver. Sin esa luz estamos ciegos.

En el evangelio de hoy, Jesús cura a un ciego de nacimiento. Las autoridades religiosas judías pensaron que esta ceguera se debía al pecado. Jesús disipa esa noción diciendo que la ceguera del hombre no se debe al pecado sino para que las obras de Dios se manifiesten. Al decir ***Yo soy la luz del mundo***, Jesús restaura la vista física del hombre pero le da la vista espiritual. El hombre recibe los ojos de la fe, la luz espiritual de la fe en Cristo que le permite creer en Cristo.

Sabemos que existe la ceguera física. Pero también existe la ceguera espiritual. En el Evangelio de Juan (Jn. 8:12) Jesús dice ***Yo soy la luz del mundo. El que me sigue no andará en tinieblas.*** En nuestra segunda lectura, San Pablo dice a los Efesios: ***Antes estabais en tinieblas, pero ahora sois luz en el Señor... vivid como hijos de la luz... no participéis en las obras infructuosas de las tinieblas... Cristo te dará luz.*** En otras palabras, no permanezca espiritualmente ciego!

Cuando una persona es bautizada recibe una vela encendida que significa que se le ha dado la luz de Cristo, que ha sido iluminada por Cristo y que puede caminar siempre como un hijo de la luz.

Jesús dice: (Mateo 5:16) ***Tu luz debe brillar ante los demás para que puedan ver tus buenas obras y glorificar a tu Padre celestial.*** ¿Está la luz de Cristo dentro de nosotros? ¿Vivimos como hijos de la luz? ¿Brilla nuestra luz para que otros puedan ver a Cristo en nosotros? ¿O escondemos nuestra luz para que no pueda iluminar a los demás? ¿Se ha oscurecido nuestra luz? ¿Hemos desarrollado cataratas espirituales?

Cristo, la luz del mundo, comparte su luz con nosotros. Que nuestra luz brille ante los demás y glorifique a Dios.

La paz sea contigo. **Diacono John**
