Looking for an anchor to hold you steady through the storms of life? Want the secret to finding joy in the midst of trials? Interested in learning to recognize the source of discord and the way to peace? James, one of the most practical books of the Bible, is a collection of teachings on issues faced by ordinary Christians in everyday life.

In *James: Pearls for Wise Living*, presenter Jeff Cavins shows how the teachings of James speak to those of us who feel torn between the competing demands of this world and our faith.

“Once you start learning, he makes you hunger for more. Jeff pulls everything you need to know out of the Bible, and it all starts to make sense like it never did before.”
